

**I love you More than you'll ever know      Donny Hathaway**

If I ever leave you....you can say I told you so!  
And if I ever hurt you baby..... you know I hurt myself as well.

Is that any way for a man to carry on  
Do you think I want my loved one gone  
Said I love you  
More than you'll ever know  
More than you'll ever know

When I wasn't making much money  
You know where my paycheck went  
You know I brought it home to baby  
And I never spent a red cent

Is that any way for a man to carry on  
Do you think I want my loved one gone  
Said I love you  
More than you'll ever know  
More than you'll ever know

I'm not trying to be  
just any kind of man  
I'm just trying to be somebody  
You can love, trust and understand  
I know that I can be  
yaaaahhhh  
A part of you that no one else could see

I just wanna hear, a hear ya say  
its allright  
yeahhh yeahhh

I'm only flesh and blood  
But I can be everything that you demand  
I can be king of everythang  
Or just a tiny grain of sand

Is that anyway for a man to carry on  
Do you think he wants his little loved one gone  
I love you baby, i love you baby  
i love you More than you'll ever know

If I ever leave you....you can say I told you so!  
And if I ever hurt you ..... you know I hurt myself as well.

Is that anyway for a man to carry on  
Do you think he wants his little loved one gone  
I treid to tell ya I love you baby, i love you baby  
yea i love you baby  
i love you More than you'll ever know

i love you  
i love you

i told you so many times before
