

I'll Play the Blues for You Albert King

Gm
When you're down and out
Gm
And you feel real hurt
Cm7
Come on over
Gm
To the place where i work

Bb7
All your loneliness
D7 Cm7
I'll try to soothe
Gm
I'll play the blues for you

Don't be afraid
To come on in
Just might run across
Some of your old friends

All your loneliness
I'll try to soothe
I'll play the blues for you

Ain't no big name
Oh lord i ain't no star
I'll play the blues for you
In my guitar (or wherever you are)

All your loneliness
I will try to soothe
I'll play the blues for you
