Think of notes as a continuous circle, not a line.  
The circle can move backwards or forwards

B C  
A D  
G F E

Also, think of names of notes using a saying.  
F A C E for notes on the spaces going up.

E G B D F lines going up can be an acronym for  
a sentence that is easy to remember such as my own:

Elephants Go Bouncing Down Freeways
