I'm a get up in the mornin'  
I believe I'll dust my broom  
I'm a get up in the mornin'  
I believe I'll dust my broom  
My best girl done quit me  
Now my friends can get in my room

I believe, I believe my time ain't long  
I believe, I believe my time ain't long  
You know I believe I Dust my Broom people  
And give up my happy home

I'm gonna write a letter, telephone every town I know  
I'm gonna write a letter, telephone every town I know  
If I don't find her in West Hills  
She be in East Monroe I know

And I don't want no woman  
Want every downtown man she meets  
I don't want no woman  
Want every downtown man she meets  
Man, she's a no good doney  
They shouldn't allow her on the street, yeah

I believe, I believe my time ain't long  
I believe, I believe my time ain't long  
I ain't gonna leave my baby  
And break up my happy home
