

I'm about to lose my mind

You broke my heart, baby just one too many time

You broke my heart, baby just too many time

From drinkin' bad whiskey, mama, gin an rum an wine

Well, today you say you're quittin', tomorrow you say you're not

Yes, you say you quittin', tomorrow you say you're not

An if ya don't stop drinkin' baby, I swear you're gonna blow your top

Yes, drinkin' woman, you stay drunk all the time

Yes, drinkin' woman, you stay drunk all the time

You keep me so worried baby, I'm about to lose my mind
