

Boom Boom John Lee Hooker page 1

Ah boom, boom, boom, boom  
I'm gonna shoot you down  
Right off 'a your feet  
Until you're home with me

Put ya in my house  
Boom, boom, boom, boom  
I love the way you walk  
Especially how you talk

'Cause when you whisper in my ear  
And say "Johnny I love you"  
I love that talk  
Oh when you talk that talk

But you knock me dead  
Right off my feet  
I took ya home with me  
And put ya in my house

How, how, how, how  
How, how, how how  
Hey, hey

Boom Boom - John Lee Hooker page 2

Ohh you are cookin'  
Like a chip off the ol' block  
Oh when you walk that walk  
And talk that talk

And whisper in my ear  
And say, "Johnny I love you"  
I love that talk  
Ah that baby talk

And I like the way you dance  
And when you make romance  
I was wonderin' if I  
If I could have a chance  
I just love the way ya walk  
And when ya talk that talk  
You knock me dead  
Right offa my feet  
I take ya home with me  
Put ya in my house

Boom, boom, boom, boom  
How, how, how, how  
Hey, hey  
Talk  
Walk that walk  
Talk that talk  
C'mon  
Ah, woo!  
Ah, you are cookin'  
C'mon  
Yeah
