

## Evil Ways - Santana

You've got to change your evil ways, baby  
Before I stop lovin' you  
You've got to change, baby  
And every word that I say is true

You've got me runnin' and hidin' all over town  
You've got me sneakin' and a peepin' and runnin' you down  
This can't go on  
Lord knows, you've got to change, baby

Baby, when I come home, baby  
My house is dark, and my thoughts are cold  
You hang around, baby  
With Jean and Joan and a who knows who

I'm gettin' tired of waiting and fooling around  
I'll find somebody that won't make me feel like a clown  
This can't go on  
Lord knows, you've got to change

(Solos)

When I come home, baby  
My house is dark, and my thoughts are cold  
You hang around baby  
With Jean and Joan and a who knows who?

I'm gettin' tired of waiting and fooling around  
I'll find somebody that won't me feel like a clown  
This can't go on  
Yeah, yeah, yeah

(Possible Vamp to the end)
