F F Eb2/F Bb/F F F Eb2/F Bb/F

[Verse]

 F Am
Doctor, my eyes have seen the years and the slow parade of fears
 Dm Bb F
without crying Now I want to understand
 F Am
I have done all that I could To see the evil and the good without
Dm Bb F
hiding you must help me if you can

[Chorus]

 Dm F
Doctor, my eyes, tell me what is wrong
 Dm C Bb Bb F F Bb Bb
Was I unwise to leave them open for so long

[Verse]

 F Am
'Cause I have wandered through this world and as each moment has
 Dm Bb F
unfurled I've been waiting to awaken from these dreams
F Am
People go just where they will I never noticed them until I got this
Dm Bb F
feeling that it's later than it seems

[Chorus]

 Dm F
Doctor, my eyes tell me what you see
 Dm C Bb
I hear their cries just say if it's too late for me

[Instrumental]

Bb F Bb F Bb F Bb F Bb

[Chorus]

Doctor, my eyes cannot see the sky
Dm C
Is this the prize for having learned how not to cry
